This product is exempt from registration with the U.S. Environmental Protection Agency under FIFRA section 25(b) regulations.

Safe for Indoor, Greenhouse and Outdoor Crops when used as directed.

FORTIFY FUNGICIDE

FORTIFY FUNGICIDE is a broad spectrum product containing essential oils formulated to control Powdery Mildew.

DIRECTIONS FOR USE

Shake well before using. For best results, apply within 12 hours of mixing. FORTIFY FUNGICIDE is a foliar spray and can be applied with a pump sprayer, fogger, or other suitable applicator. Do not apply to plants while pollinators are actively foraging.

Maintenance Application

Apply 1oz of product per gallon of water and apply on a weekly basis.

Aggressive Application

Apply 6oz of product per gallon of water and apply every 3-4 days for a period of 2 weeks.

For best results use FORTIFY FUNGICIDE as part of an integrated pest management program. Allowed for use on crops or plants intended for human consumption.

STORAGE AND DISPOSAL

STORAGE

Store in a cool dark place for optimal shelf life.

CONTAINER DISPOSAL

Do not reuse empty container. If empty: Offer for recycling if available or discard in a sanitary landfill.

PRODUCT DISPOSAL

Pesticide wastes are acutely hazardous. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative of the nearest EPA Regional Office for guidance.

PRECAUTIONARY STATEMENT

Avoid contact with eyes, skin or clothing.

PPE

Wear appropriate personal protective equipment during applications including respirator, head and eye cover coverings, chemical resistant suit and footwear.

FIRST AID

If in eyes, flush with water for at least 15 minutes. If on skin, wash with plenty of soap and water. Get medical attention if irritation persists. Do not apply this product undiluted. Do not apply to water.

CAUTION

KEEP OUT OF REACH OF CHILDREN.

Manufactured in the U.S.
