

# RTU COCO GROW BAGS VS. STONEWOOL: MAKING THE INTELLIGENT CHOICE FOR YOUR GROW

When it comes to commercial cannabis cultivation, choosing the right growing medium can make all the difference in efficiency, yield, and overall operational success. Rx Green Technologies' Ready-To-Use (RTU) Coco Grow Bags offer a superior alternative to rockwool (stonewool), helping you unlock greater efficiency and profitability to ensure your cultivation business thrives long-term.

## BENEFITS OF PRE-HYDRATED RTU COCO GROW BAGS VS. STONEWOOL:

Our RTU Coco Grow Bags come with a convenient tear-open top, allowing you to simply **Rip** open the bag, **Roll** it down, **Plant** your plants, and watch them **Grow** to their full canopy potential. This makes it possible to:

- **Increase Labor Efficiency:** With no need for additional setup or hydration before planting, you can reduce labor hours and operational costs.
- **Gain Peace of Mind in Your Supply Chain:** Our RTU bags are manufactured in the USA, helping you prevent costly delays in your cultivation cycles.
- **Customized Solutions For Your Cultivation Facility:** RTU bags are available in both 1 and 2-gallon sizes, as well as various blends, to suit your unique cultivation needs.
- **Reduce Environmental Waste:** Unlike rockwool, which is non-biodegradable and difficult to dispose of, coco is a more sustainable and environmentally friendly medium.

# RTU VS STONEWOOL

## PROVEN PERFORMANCE: RTU VS. STONEWOOL:

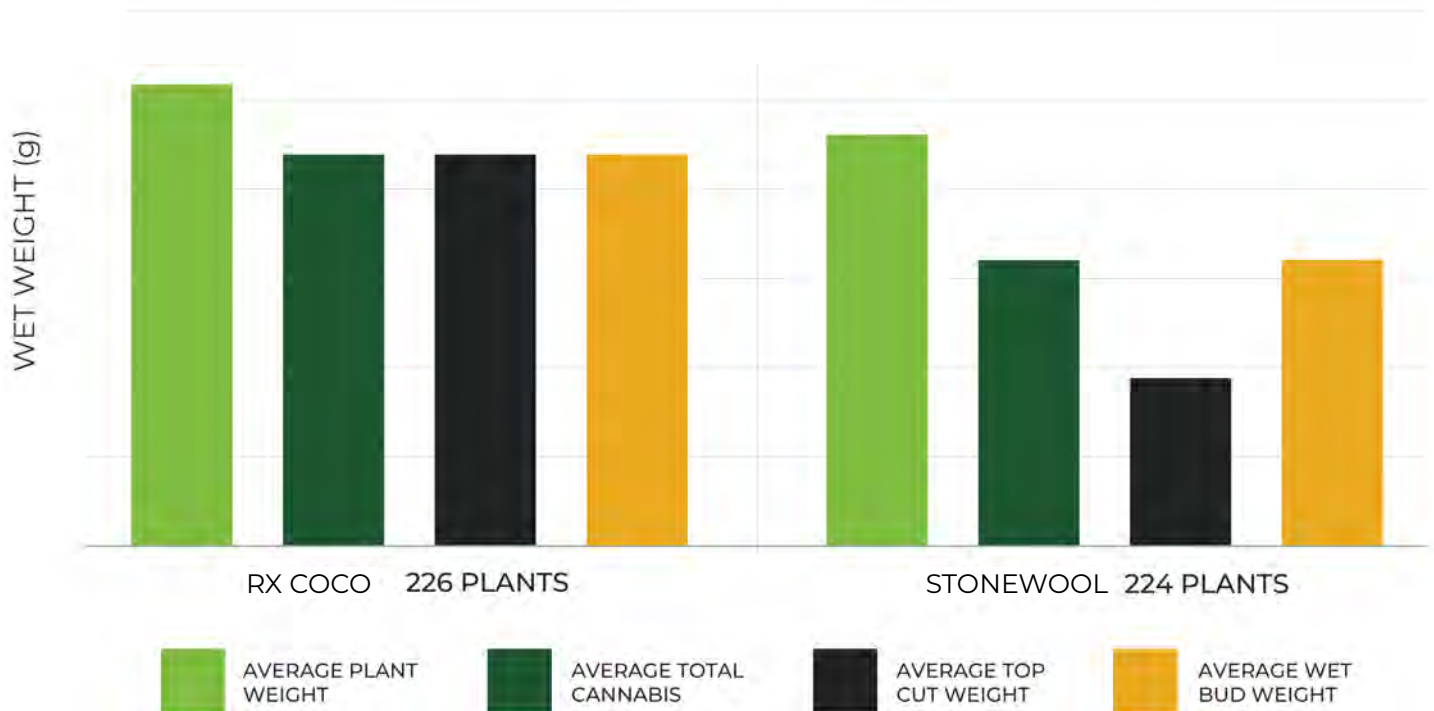

In a recent study comparing our RTU Coco Grow Bags to rockwool, the benefits of RTUs were clear:

- **40% Higher Yield:** Plants grown in RTU bags produced significantly more flower weight than those grown in rockwool.
- **60% Less Water Usage:** RTU bags require far less water, making them a more resource-efficient choice.
- **Superior Plant Growth Metrics:** RTU bags delivered higher average plant weight, higher total cannabis weight, higher top-cut weight, and higher wet bud weight.

RTU Coco Grow Bags are the clear choice if you're looking for a sustainable, high-performance growing medium that enhances both efficiency and profitability! Ready to make the switch? Contact us today to learn more about how RTU Coco Grow Bags can transform your cultivation operation.
